Request Detail:

Can you tell me where you advertise tender notices for your organisation please.

Response Detail:

The Trust response to your recent FOI request is as follows:

The Trust advertises its contract opportunities depending on their value either on Contracts Finder or on the Official Journal of the European Union. The electronic tendering system the Trust uses for high value tenders (which automatically posts to OJEU) also hosts such contract opportunities, and can be found at www.eu-supply.com
