Request Detail:

Do you use an e-rostering system to manage your staff rotas? If so, please can you provide details of who provides the system, the value and the length of the contract.

Response Detail:

The Trust response to your recent FOI request is as follows:

Lancashire Care NHS Foundation Trust uses HealthRoster as its rostering system, provided by Allocate Software and has a perpetual licence to the software modules it uses.

The contract runs across 3 Organisations, Lancashire Care, East Lancashire Hospitals and Lancashire Teaching Hospitals. Lancashire Care does not have the authority to disclose other Trust's commercial arrangements without their consent.
