Application/proposals/expressions of interest re: vanguard site

I am writing to you in regards to the 'Vanguard Sites' that NHS England have launched under their 'New Models of Care Programme'.

Under the Freedom of Information Act, can you please provide me with electronic copies of the applications/proposals/expressions of interest to become one of the [both PACS and Multispeciality] 'Vanguard sites'.

Response Detail:

The bids you are referring to were led by local CCGs, and as such these documents are not held by Lancashire Care. You will need to direct your request to those organisations or to NHS England itself for the information.
