Request Detail:

Q1. Is your organisation connected via a private wide area network to other organisations (e.g. other trusts within your region or across your Local digital Roadmap / STP footprint?

This includes dedicated site-to-site links, site-to-site VPNs and MPLS links but does not include connectivity which is solely via the national NHS N3 network.

Q2. Is there an Active directory trust relationship in place between your organisation and other NHS organisations in your local area?

Q3 - If all organisations with your Sustainability and Transformation Plan, or Local Digital Roadmap community (or Vanguard organisation if you are part of a Vanguard) are not currently connected via a private wide area network, is this planned in the next 2-3 years and what are the anticipated timescales?

Q4. Please can you release a copy of your Local Digital Roadmap in which your Trust is participating. Please also include the detailed LDR plan that sit behind this for your particular organisation.

Q5. Please can you release a copy of the STP that your organisation has signed up to.
