<b>Tags:</b>	IT, windows, XP, operating, system, upgrade

### Request Detail:

Could I please request the following information?

How many endpoints in the Trust are using Windows XP as an operating system and how many have been or are in the process of being upgraded to a more secure and up-to-date operating system.

If possible could you provide the names of the operating system/s that have been used to upgrade the endpoints?"

### Response Detail:

The Trust response to your recent FOI request is zero, as all endpoints were upgraded to Windows 7 Enterprise before XP support originally ended in the NHS.
