Request Detail:

Info re use of mobile devices

can you provide me with all current policies or guidelines that make reference to the use and management of mobile phones and tablet devices in the healthcare environment, by staff, service users, and visitors – this applies to both personal and institutionally-owned devices.

Definition of terms:

- Tablet devices – any handheld/mobile tablet computer, for example, but not restricted to, the Apple iPad.

Healthcare environment – institution or area where NHS patients or service users are cared for.

Response Detail:

In response to your recent FOI request I have attached the Trust Mobile Communication Devices policy.
