Request Detail:

I am writing under the Freedom of Information Act to request the following information regarding patients present in hospitals governed by the trust due to delayed transfer of care or 'bed-blocking'. Please could you tell me:

1. The number of patients who have died in hospital while experiencing a delayed transfer of care. Please could I have these figures for the years 2014, 2015 and 2016, broken down by year.

Response Detail:

The Trust is unable to respond to this request as the number is so low that it could lead to the identification of the individual(s) concerned.
