Request Detail:

I would like to request a copy of your policy for the secure transport of patients with mental health diagnosis.

Response Detail:

The Trust does not hold a policy for the secure transport of patients with a mental health diagnosis as NWAS provide transport as well as other contracted companies.

Only companies that have been pre-approved and are on an NHS contract are used to provide transport to patients.

There is a policy in place for transport of patients on a Secure ward, a copy of this has been enclosed with this letter.
