No. in receipt of ECT	
No. offered Psychological intervention	
No. in receipt of psychological intervention	

What intervention were they in receipt of.	
What evidence are you using for these figures	

Response Detail:

The Trust response to your recent FOI request is as follows:

Over the time period requested we have had 261 suicides recorded within the Trust. It would not be possible to provide the remainder of the information without searching each individual patient recorded and this would exceed the 18 hour time limit allocation for a FOI.
