Request Detail:

I am writing to request the number of patients under the age of 25 admitted for mental health related issues in the past three years, under the Freedom of Information Act (2000).

That is, the number admitted in 2017; the number admitted in 2016; and the number admitted in 2015.

I would also like to request the figures broken down per month. That is, a total for the year, then the figures broken down for each month.
