### Request Detail:

I'm looking for the number of people aged 65+ who were discharged between 22.00 and 06.00, for each month between January 1 2016 and December 31 2016.

I further request the information, if possible, to broken down into ages 65-74, 75-84, 85+ for the discharged patients.

Could I also have detail of how many patients were discharged to their home, to a nursing home, care home, rehabilitation, transferred etc. And whether their relatives were informed.

### Response Detail:

The Trust response to your recent FOI request is as follows:

We have had 2 discharges from Mental Health Inpatient units between the hours of 10pm and 6am in the time period requested. The reasons for these were due to delayed transport. We are unable to supply any further information as this could lead to patients being identified. The relatives of both patients were informed.
