Response Detail:

The Trust response to your recent FOI request is as follows:

Historically the Trust would have some records but no reason to keep them beyond the required 6 years, so we would no longer have any records for this period (if we had them at all). Nor do we have a reason to record who won the contract, and sometimes we wouldn't know. I would suggest this request is more appropriate to ask of the local commissioners.

I would suggest that you contact the local Clinical Commissioning Groups (CCGs) as they will have a record of tenders, amounts and successful bidders.
