<b>Category:</b>	Service delivery

### Request Detail:

The request relates to the total number of patients, bed days and their associated cost who were placed in out of area (private) beds for the financial year 2017/2018. This should relate to either provider of CCG funded activity and exclude specialist placements commissioned by NHS England. I would be grateful if the data could be broken down into CAMHs, adult and older adult split between general needs and PICU for each.

Where you do not provide a service please leave blank

### Response Detail:

The [Children and Young People's network] response to your recent FOI request is as follows:

All the Trust beds are commissioned by specialist commissioners and as such, we must provide a nil return.
