Date request responded to:	09/09/2015
Category:	Service delivery
Tags:	Forensic inpatient, schizophrenia, psychotic disorders, personality disorders, substance related and addictive disorders, affective anxiety disorders, detained

Request Detail:

Info re Forensic IP services

Please could you provide the following information under the Freedom of Information Act regarding forensic service provision within your Trust? If possible please could you provide the data for two separate years (2013 and 2014) – using point prevalence or census data on 31st December 2013 and 31st December 2014 if available. Otherwise, any information which gives an indication of what is being requested would be appreciated. The two sets of questions are identical except that A relates to 2013 and B relates to 2014.

A. Number of Forensic Cases as in-patient in 2013

A1.

Total Number of forensic psychiatric in-patients:	N=	Male N=	Female N=
Notes:			

A2.

Number of forensic psychiatric in-patients by main psychiatric diagnosis:	Schizophrenia	N=	Male N=	Female N=
	Other psychotic disorders	N=	Male N=	Female N=
	Personality disorders	N=	Male N=	Female N=

	Substance-related and addictive disorders	N=	Male N=	Female N=
	Affective and anxiety disorders	N=	Male N=	Female N=
	Others diagnosis	N=	Male N=	Female N=
Notes:				

A3.

Number of forensic psychiatric in-patients by legal status:	Pre-trial	N=	Male N=	Female N=
	Post-trial	N=	Male N=	Female N=
	Detained for treatment for a mental disorder under criminal law mental health legislation (if applicable)	N=	Male N=	Female N=
	Detained for treatment for a mental disorder under civil mental health law (if applicable)	N=	Male N=	Female N=
	Others	N=	Male N=	Female N=
Notes:				

A4.
