### Request Detail:

Info re patients with Parkinson's disease

Please could you tell me how many people with Parkinson's disease have been admitted to secure mental health institutions in your Trust in the last five years?

### Response Detail:

After some investigation I can now confirm that this information is not held in a readily available format and would require that patient records are individually accessed for the information.

This would be a very time consuming exercise in excess of the suggested 18hours allowed under the FOI Act.

The Trust is therefore unable to supply any information in response to your request.
