Come and meet HARRI our new-look wellbeing resource on wheels.

HARRI is a vehicle that is travelling across Lancashire, providing information to members of the public about our brand new Recovery College that offers free courses for people to help them keep well, stay well and live.

HARRI was launched in January, with stops initially scheduled in Preston, Chorley and South Ribble. People can visit HARRI at various locations and events throughout the year in Lancashire. For HARRI's schedule until March this year, see the reverse of this leaflet or visit the Lancashire Care Facebook page or Twitter handle @LancashireCare.

Members of the public are welcome to step on board to access useful health advice and guidance, as well as a range of wellbeing resources. The vehicle includes a private consulting area with disabled access.

HARRI is one of the many ways Lancashire Care NHS Foundation is using to reach out to communities to promote positive aspects of mental health and wellbeing.

We hope to see you soon.

## Book HARRI

HARRI is also available to hire for health events and campaigns. It is the perfect vehicle to promote local services to a wide audience in just a few hours, allowing services to highlight their initiatives, raise awareness and discuss concerns. If you would like to hire HARRI for your next event, please get in touch for costings and availability.
